MEDICAL ACADEMY

where passion meets profession

About Manifesta

Manifesta is a specialized Medical Academy dedicated to advanced training in Gynaecology and Infertility.

We focus on empowering doctors with practical skills, ethical knowledge, and real-world clinical exposure required for modern infertility practice. Our programs are designed to bridge the gap between theory and hands-on clinical practice, helping doctors confidently step into IVF & ART-based treatments while following all ART rules and guidelines.

At Manifesta, we train doctors

to practice with confidence.

COURSES WE OFFER

Our courses are designed to provide advanced theoretical knowledge combined with hands-on clinical training in gynaecology and infertility. Each program follows latest ART guidelines.

Courses We Offer

- ❖ Fellowship in Reproductive Medicine
- ❖ PG Diploma in Clinical Embryology
